InfiniTek Announces Addition to Staff

InfiniTek is pleased to announce the addition of **Michael Hamrin** to their staff as **Marketing Director**. As **Marketing Director** he will be responsible for all print copy including web site, brochures, press releases, newsletters, etc.

Mr. Hamrin has extensive background in business communications having filled similar functions with **Island Data** of Carlsbad, CA and **Centergistics Solutions** of Tustin, CA, software companies who were leaders in their market space.

Prior to migrating to the software industry in 1999, Mr. Hamrin had a distinguished twenty-year career in telecommunications. In addition to being **VP of Sales and Marketing** for three start-up ventures, he held **Regional Manager** positions with two of the world's oldest and largest telecommunications giants: **Siemens** of Munich, Germany and **Lucent Technologies**, formerly known as **AT&T**. Mr. Hamrin headed a distributor network in the 15 Western States for **Siemens** and was Consultant Liaison for **Lucent** providing support to consultants on deals in the \$1.5 to \$16M range.

Additionally, Mr. Hamrin served as **Senior Consultant** for two large consulting firms preparing and evaluating RFP's and making technology recommendations to large-scale corporate and public entities, including the largest HMO in the Northwest, school districts, colleges and hospitals. On a private basis Mr. Hamrin has managed 33 projects to evaluate and replace technology platforms.

Mr. Hamrin graduated *Magna Cum Laude* with a B.A. from **Knox College**, Galesburg, Ill and has done graduate work at **Harvard University**, Cambridge, MA and was a Ph.D. candidate at **Stanford University**, Palo Alto, CA.
